# WELCOME TO UMAMI BURGER

We love classic hamburgers like everyone else. Here at Umami Burger, we like to do things differently. For starters, we grind our proprietary blend of premium hand-selected beef almost hourly. Patties are then formed by hand and cooked to medium rare, every time.

What goes on top, well, that's where the fun begins. Each burger is an original creation with thoughtfully assembled ingredients to bring you the most savory burgers, ever. Period.

After one bite, you'll understand why there are no substitutions. If not, take another bite, and then another... Please come back often as we're always concocting new burgers on our "Feeling Special?" menu.

Our beef is ground in house and served medium rare  
Eating raw or undercooked food may increase the risk of food borne illness  
18 percent gratuity will be applied to parties of 6 or more
